

DYC's Dinghy Parking Permit Conditions

1. Applications

Applications for a dinghy parking permit will only be dealt with upon receipt of a completed Application Form from FULLY PAID-UP members of Dale Yacht Club, **accompanied by a self-addressed envelope and payment received in full**. The Committee reserves the right to allocate dinghy parking bays to permit holders at their absolute discretion.

2. Options and charges

Two options are available for dinghy parking during the sailing season:

- **Option 1** – Dinghy parking bay on roadside verge, occupation between 1 April and 31 October
- **Option 2** – Dinghy parking bay behind car park, occupation between 1 June and 31 August.

The cost for the different dinghy parking options for 2025 season is:

- **Option 1** - £60
- **Option 2** - £40

3. Occupation and Removal of Boats

Dinghy parking bays are available for occupation as above in the 2025 calendar year.

All boats and/or other equipment must be removed on or before the last day of the period, i.e.

- **Option 1** – by 31 October
- **Option 2** – by 31 August

Any property left in the bay after that date will be removed and impounded. A charge of £50.00 plus £5.00 per week thereafter, or the actual cost to DYC, whichever is the greater, shall be levied and must be paid prior to the release of the boat and/or other property. DYC expressly reserves the right to sell the boat and/or other property to cover any additional charges.

4. Maintenance

Dinghy bays will be mowed by DYC at the start of season and at the end of the season.

During the season it is the responsibility of the permit holder to maintain the bay by cutting the grass or arranging for the grass to be cut on a regular basis. Please contact the Dinghy & Tender Park Secretary for contact details of local grass cutters.

If the bay is not well maintained during the season, DYC will not re-issue a permit for subsequent years.

5. Boat Identification

The boat name and/or number as declared on the Application Form must be clearly displayed on the boat and/or other property. Any changes to the identification of the boat must be notified to the **Dinghy & Tender Park Secretary** in writing.

The annual dinghy parking permit label issued with each permit must be affixed to the boat and/or other property **in a clearly visible location**.

6. Insurance

Each dinghy must have **Third Party insurance cover to a minimum of £1,000,000.**

7. Liabilities

Dale Yacht Club shall not be responsible for any loss or damage sustained by the dinghy parking permit holder.

All boats, equipment and property whatsoever remain the responsibility of the permit holder and are left on the bay at the owner's risk.

Permit holders will be responsible for securing all boats and other property on their allotted bay.

8. Notice

All communications from Dale Yacht Club to the permit holder will be sent to the address specified on the Application Form. Any change in address must be notified to the **Dinghy & Tender Park Secretary** in writing.
